Your educators

AIRWAYS AVIATION

Airways Aviation brings more than 30 years of aviation experience to offer world-class pilot training for aspiring pilots. In Australia, the Airways Aviation Academy's are located on the Gold Coast and Northern Rivers, Lismore, providing students with several diverse training environments to complete their training.

GRIFFITH UNIVERSITY

Griffith University has one of Australia's largest and most highly recognised aviation teaching programs. Over the past 25 years we have built an international reputation for graduates that are industry ready through our innovative approach to aviation education. Our aviation staff have strong industry ties and some are world leaders in aviation research. The Bachelor of Aviation introduces students to the sciences underpinning the theory and practice of aviation. You will also study courses in areas such as navigation, safety management systems and the human factors in aviation.
